

FATEH CAMPUS AMBASSADOR PROGRAM

Month 1 SOP · 16 September to 16 October 2026

EFFECTIVE DATE	16 September 2026	MONTH 1 PERIOD	16 Sep – 16 Oct 2026
EXECUTION PARTNER	HYPEDIN	MONTH 1 THEME	#StartWithFateh

1. PURPOSE AND HOW TO USE THIS SOP

This SOP sets out what a Fateh Campus Ambassador does in Month 1, how each task should be submitted and by when.

2. MONTH 1 OBJECTIVE AND ACTIVATION

Objective

Build awareness of Fateh on your campus and lay the foundation for the months ahead. In Month 1 that means three things:

- **Awareness:** make sure students on your campus know Fateh and know you are the person to talk to about studying abroad.
- **Community:** build a community of students interested in studying abroad and add them to your respective college groups.
- **Conversations:** plan short discussions and Q&A sessions in college with that community, built around facts about studying abroad. These sessions make you eligible for incentives.

Activation matters

Your Fateh Info Desk activation plays a vital role in your overall performance evaluation for the month. Plan it early and give it your best effort. If you face any issue getting permission for the activation at your college, flag it to your City Manager in advance. Please do not raise it in the group.

3. MONTH 1 TASKS

These five tasks make up Month 1. Each one has its own submission form

#	TASK	MONTH 1 TARGET	NOTES
1	Content Creation	1 reel on the monthly theme	Create one reel on the Month 1 theme #StartWithFateh, with you on camera. Post from a public profile, tag the official Fateh page and use all three campaign hashtags. Post only after City Manager approval, then get it reshared by at least 5 friends. Full brief in Section 4.
2	Static Post or Carousel	1	Publish the Fateh approved creative on your social handle. The caption must carry the CTA and #StartWithFateh. Keep the post public for the whole campaign.
3	Story Buzz	8 (2 per week)	Keep Fateh showing up on your campus feed every week. Every story must carry the CTA and #StartWithFateh. Bring the students who reply into your community. Take a screenshot of each story once it has been live for at least 20 hours, before it expires.
4	Prebuzz at Your College	Posters and QR up	Put up posters and the QR, test the QR, and announce the Info Desk date in your groups.

#	TASK	MONTH 1 TARGET	NOTES
5	Fateh Info Desk	1	An information desk on campus, set up using the Fateh kit provided by the Fateh Campus Ambassador team, along with posters and your unique QR code and UTM links. The required permission must be secured by you in advance. Students scan the QR code and fill out a short form. These responses become a pool of interested students, which the counselling team then filters. Your role on the day is to drive scans and collect leads, not to counsel students yourself.

4. CONTENT CREATION: THEME AND REEL PROMOTION

A new theme every month

Every month of the program has one theme, and all reels you create that month are built around it. The theme keeps content consistent across ambassadors while leaving the idea and execution to you. The Fateh Campus Ambassador Team will announce each new theme through the official communication channels and share a Task Guide Document outlining the theme, deliverables, and execution guidelines.

Month 1 theme: #StartWithFateh

Your reel introduces you to your campus as the person to start your study-abroad journey with. It must feature you on camera, show you as a Fateh Campus Ambassador, show your college, and explain what Fateh Education does for students exploring study abroad. Concept, format and presentation are up to you, as long as the visuals and audio are clear and good quality.

Reel requirements

- **Public profile:** your Instagram profile must be public.
- **Tag Fateh:** tag the official Fateh Education Instagram page on every reel.
- **Hashtags:** the caption must carry the CTA and all three hashtags: **#StartWithFateh #FatehCampusAmbassador #StudyAbroadWithFateh**.
- **On theme:** stick to #StartWithFateh. An off-theme reel will not be approved.
- **Editing:** keep the edit clean, with clear audio, good lighting and readable on-screen text. Use audio from Instagram's music library.
- **Approval first:** send the draft to your City Manager and post only after written approval.
- **Keep it live:** keep the reel public for the whole campaign. Do not archive or delete it.

Reel promotion through friends' accounts

Mandatory for every reel: minimum 5 reshares + 24-hour insights

- Once your reel is live, get it reshared to Instagram stories from **at least 5 different friends' accounts**.
- Each reshare must stay up for the full 24 hours.
- After 24 hours, collect the **insights screenshot of each reshared story** from your friend (showing views and the account handle).
- Attach all 5 or more screenshots in the **Content Creation Form**, along with your reel link and approval screenshot.

A reel with fewer than 5 reshares, or without their insights, is counted as incomplete.

5. SUBMISSION GUIDELINES

Every task has its own submission form. The form for each task goes live at the start of Month 1. Submit proof for a task only through that task's form.

General rules for every form

- Use the same name, college and registered email or phone number in every submission.
- One submission per task. For Story Buzz, submit once each week.

- Uploaded drive link name (If Required*): **College_YourName_Task_Date** (for example, ABCCollege_Riya_Reel_24Sep).
- Submit before 11:59 PM on the deadline day.
- If a submission is rejected, fix it and resubmit through the same form within 48 hours, after getting approval from your City Manager.
- If a form link is not working, tell your City Manager before the deadline, not after.

6. MONTH 1 IS COMPLETE WHEN

- Your #StartWithFateh reel is live on a public profile, tags Fateh, carries all three hashtags, and has at least 5 friend reshares with insights submitted.
- The static post and all eight stories are live and proof is submitted.
- Posters and your QR are up on campus, and the Info Desk date is announced in your groups.
- The Info Desk has run, with geotagged photos & Normal videos, a timestamp.
- Engage interested students through your on-campus activities, refer them to the Fateh counselling team, and assist in scheduling counselling sessions.

7. PERFORMANCE RATING

Your City Manager rates every ambassador against the Month 1 tasks. The rating drives recognition and rewards and, at the bottom end, the corrective process under the Campus Ambassador Policy. Your Fateh Info Desk activation plays a vital role in this evaluation.

RATING	WHAT IT MEANS	ACTIVE STATUS
On Track	All Five tasks met, proof accepted and submitted on time.	Eligible for recognition, rewards and certification.
Watch	One or two tasks missed, or proof repeatedly rejected and resubmitted.	City Manager verifies, agrees a recovery timeline with you, and monitors the next cycle.
Below Target	Three or more tasks missed, or two consecutive weeks with no proof submitted.	Triggers the corrective process under the Policy: verification, then a Warning Letter, then termination.

There may be minor updates to the SOP in line with the Fateh Campus Ambassador Program guidelines, if required. Any such changes will be communicated to you accordingly.
