

FATEH CAMPUS AMBASSADOR PROGRAM

Month 1 Task Submission Guidelines

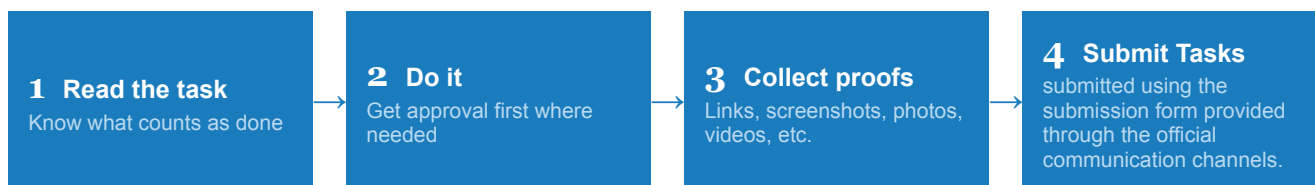

16 September to 16 October 2026 | Month theme: **#StartWithFateh**

This guide covers your five tasks for the first month: what to do for each one, and how to submit proof of it. Follow the same order every time. **Read the task, do it, collect your proof, then submit it in that task's form.** That's the best way to minimize errors and avoid unnecessary rejections.

MONTH 1 AT A GLANCE

5 Tasks this month	5 Form Submissions (Story Buzz is weekly)	11:59 PM Cut-off on every deadline day	48 hrs To fix and resubmit a rejection
------------------------------	---	--	--

HOW EVERY SUBMISSION WORKS

1. Rules for Every Submission

01 Same format, every time Use the same name, college, and registered email or phone number on every form, wherever required.	02 One form per task Each task has its own form. Story Buzz is the only one you submit weekly (4 times in Month 1 for Story Buzz).
03 Get Prior Approvals by City Managers All submission tasks must first be shared with your City Manager for review before being submitted.	04 Beat the 11:59 PM cut-off Submit before 11:59 PM before the deadline day. Anything after that is marked late.
05 Fixing a rejection Fix the issue, get your City Manager's approval, then resubmit through the same form within 48 hours.	06 Form link not working? Tell your City Manager before the deadline, not after it.
07 Keep it public Your profile, reel and post stay public for the whole campaign. Don't archive or delete them.	08 Name your drive links Where a form asks for a drive link, name it in the format below.

Off-theme reels are not approved. • Be on camera yourself, show that you are a Fateh Campus Ambassador, and show your college. • Explain what Fateh Education does for students exploring study abroad. • Concept and format are your call. Keep the edit clean, with clear audio, good lighting and readable on-screen text. Post • Send the draft to your City Manager. Post only after written approval. • Post from a public profile and tag the official Fateh Education Instagram page. • Caption must carry the CTA and all three hashtags: #StartWithFateh #FatehCampusAmbassador #StudyAbroadWithFateh Boost (mandatory) • Get the reel reshared to Instagram stories from at least 5 different friends' accounts. Each reshare stays up for the full 24 hours. • After 24 hours, collect the insights screenshot of each reshared story from your friend, showing views and the account handle. • Keep the reel public for the whole campaign. Don't archive or delete it.	HOW TO SUBMIT Form: Content Creation Form Deadline: within 24 hours of collecting the insights, and no later than 26 September. Upload ✓ Live reel link ✓ City Manager approval screenshot ✓ 24-hour insights screenshots of at least 5 friend reshares Tip: Get approval and post by 24 September, so the 24-hour reshare window and your submission both fit before 26 September.

REJECTED IF private profile, Fateh page not tagged, hashtags missing, off-theme reel, or fewer than 5 reshares or insights missing. A reel without 5 reshares and their insights counts as incomplete.

WHAT YOU NEED TO DO

Before

- Plan it early and secure your college's permission in advance.
- Facing an issue getting permission? Flag it to your City Manager in advance. Please don't raise it in the group.

On the day

- Set up the desk on campus with the Fateh kit provided by the Campus Ambassador team, posters, and your unique QR code and UTM links.
- Get students to scan the QR code and fill the short form. Your role is to drive scans and collect leads, not to counsel students yourself.
- Take geotagged photos and a normal video of the desk.

After

- Review the form responses and list the interested student leads. The counselling team filters this pool.
- Stay engaged with interested students, refer them to the Fateh counselling team, and help schedule their counselling sessions.

HOW TO SUBMIT

Form: **Fateh Info Desk Form**

Deadline: within 24 hours of the Info Desk activation.

Upload

- ✓ Drive link with geotagged photos and a normal video (named **College_YourName_InfoDesk_Date**)
- ✓ List of interested student leads, after reviewing the form responses

- ☐ **On time.** Before 11:59 PM on the deadline day. Most tasks are due within 20 - 24 hours of doing them.
